Dear Mr. Tims,

I feel I must let you know how absolutely splendid your students were in helping us raise money for Rotary charities at The Duthill Tournament this weekend. They were all, without exception, excellent ambassadors for St. Andrews and a credit to the school, reliable, trustworthy, polite, charming, enthusiastic, and just fun to be with.

With my thanks to you for allowing the young people to participate,
Yours sincerely,

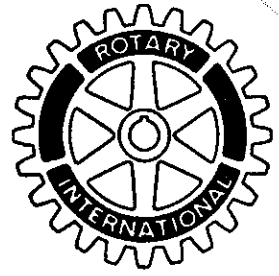

Ann P. R. Valley - Tipton

Dear Karen

On behalf of the Rotary Club please allow me to thank you for organising such a splendid team of student helpers at the Sunhill Golf Championship.

Everyone commented on how polite and charming they were. They were immensely enthusiastic and not only sold a great many books of tickets (including the winning ticket) but were a great boost to our morale.

The raffle raised £4295. To pass on to the students our very real appreciation. I hope we can enlist their help in some of our other projects in future.

Yours sincerely

Home of Golf and Scotland's first University

Peter
