GIRFEC: Getting It Right For Every Child The Well-being Indicators

Safe	Protected from abuse, neglect or harm at home, at school and in the community.
Healthy	Having the highest attainable standards of physical and mental health, access to suitable healthcare and support in learning to make healthy and safe choices.
Achieving	Being supported and guided in their learning and in the development of their skills, confidence and self-esteem at home, at school and in the community.
Nurtured	Having a nurturing place to live, in a family setting with additional help of needed or, where this is not possible, in a suitable care setting.
Active	Having opportunities to take part in activities such as play, recreation and sport which contribute to healthy growth and development, both at home and in the community.
Respected	Having the opportunity, along with carers, to be heard and involved in decisions which affect them.
Responsible	Having opportunities and encouragement to play active and responsible roles in their schools and communities and, where necessary, having appropriate guidance and supervision and being involved in decisions that affect them.
Included	Having help to overcome social, educational, physical and economic inequalities and being accepted as part of the community in which they live and learn.

GIRFEC: The Five Well-being Questions

GIRFEC requires that at all stages of supporting our pupils, teachers are asked to keep the following five questions uppermost in their minds:

1. What is getting in the way of this young person's wellbeing?
2. Do I have all the information I need to help this young person?
3. What can I do now to help this young person?
4. What can the school do to help this young person?
5. What additional help, if any, may be needed from others?

PUPILS AT ST LEONARDS ASPIRE TO BE:
